2011 Graduate Paul with fellow Graduates and Coaches

“YOU ARE UNSTOPPABLE

WHEN OTHERS SHOW YOU THE WAY.

I kept hitting roadblocks in my life—no new opportunities with work, and I just couldn't figure out how to get ahead. I found out about *LifeWorks* through a friend, and I thought, 'What have I got to lose?' When I started attending the course I didn't know what to expect, but what I found was so much more than I thought it was. The teachers and coaches opened up a whole new world of opportunities and showed me that my past doesn't have to predict my future. After I graduated, I was even hired by one of the Employer Partners of The Jobs Partnership, and ended up meeting my wife through my work there! Through it all, I've had a network of coaches to lean on. I thought I needed a better job—what I got is a better life.”

—Paul
