The Jobs Partnership is a thriving, faith-based partnership of individuals, churches, employers and community organizations working together to transform the lives of the working poor and underemployed in our community by addressing attitudes, beliefs and commitments that have kept them from being able to provide a family-sustaining wage. Together with our Partners we work to replace lies with truth, encourage them through mentorship, elevate their workplace abilities and attitudes, and expand their network of relationships. Through this process, they become more than employable—they become unstoppable.
THE WAY UP. THE SOLUTION AND HOW IT’S DIFFERENT

The Jobs Partnership provides a proven solution built on the Biblical truth that all people are created and designed by God to work, to be fruitful and to have purpose in their lives. Together with our Church Partners and Volunteers, we provide an innovative, no-cost 12-week training course called LifeWorks for men and women who are stalled in their lives, their jobs, or both. This training isn’t a job skills class or government program—it’s a bootcamp for life and work, addressing barriers to employment, pursuing opportunities for promotion, finding new career opportunities, or qualifying for specialized training.

All Students and Graduates enjoy access to our online job portal, Orlando Job Connection. Prior to graduation, Students are guided in choosing the right next step, whether it’s applying to a college, applying for certification, or finding a new job. The Jobs Partnership team, Churches and Volunteer Teams assist Graduates in determining their next steps through our Career Pathways process.

Students who graduate from the Jobs Partnership training course have an average 21-point increase in their self-esteem, 100% of our graduates stay off public assistance, 70% of our graduates who find a job are still working 18 months later.

JOIN OUR NETWORK OF INDIVIDUALS, CHURCHES, BUSINESSES AND ORGANIZATIONS who are investing in our work to transform families and entire communities in Central Florida.
