## “YOUR LIFE CAN GET BETTER

WHEN PEOPLE ARE FIGHTING FOR YOU.

////////////////////////////////////

I was a young single mom without a job when I found out about **LifeWorks**. A few weeks into the training, I got hired by one of the Employer Partners. During that time I was learning about my own God-given abilities, and through a Career OnRamp, I was able to go to school to earn a certificate in the field of healthcare. Meanwhile, the team at Jobs Partnership was working behind the scenes on my behalf with a leading hospital to line up a full-time position with benefits. I am now a Health Unit Coordinator with the goal of continuing my training to be a nurse! ”

# “YOU HAVE WHAT IT TAKES

BUT YOU NEED OTHERS WHO BELIEVE THAT.

////////////////////////////////////

I made some bad decisions in my life, was really negative and had a hard time trusting anyone. I heard about **LifeWorks** and thought this could be a way to get ahead. What I didn't expect was how much my world opened up—not only by what I was learning but by the people I was meeting. The coaches believed in me, encouraged me and even helped me to get into my dream career. ” -David

## “YOU WERE CREATED FOR MORE

BUT YOU NEED OTHERS TO SHOW YOU THE WAY.

////////////////////////////////////

I moved here with my 2 kids looking for a better life. I found out about **LifeWorks** through a neighbor, and since I had no friends or family nearby I thought it could help to expand my network. It turned out to be one of the best decisions I've ever made. With the help of my Coaches I went from barely making it to being hired in a full-time a career with benefits, which enabled me to purchase a home for our family. I've also recently started my own dream business! ” -Eliza
